

Agustina Veronika Butar-Butar

Hello, I am an undergraduate student from the Informatics Major, Faculty of Electrical and Informatics Engineering, Del Institute of Technology. Currently, I am very interested in the QA Engineer role where this role is also related to my major. Besides studying, I also want to increase my level of confidence, practice communication and good public speaking, can manage themselves and time, and can work better in a team. Thus, what I have learned, I can apply it at work later.
